1. SCOPE OF SERVICES

Creoa (hereinafter "Designer") agrees to design and develop one (1) professional website for Via Roma (hereinafter "Client"). Services include:

- Custom website design and full development
- Domain name setup and configuration (see Section 5)
- Delivery of the completed website upon receipt of initial payment

Services do NOT include SEO campaigns, social media management, content writing, photography, or any features not explicitly listed above unless agreed upon in a separate written amendment.

2. PROJECT PROCESS

The project will follow the steps outlined below, in order:

- **Step 1 — Contract:** Designer sends this agreement to Client for review and signature. No work begins until a signed contract is received.
- **Step 2 — Upfront Payment:** Client submits 50% of the one-time project fee (\$500.00 USD) before work begins.
- **Step 3 — Full Build:** Designer builds the complete, fully functional website for Via Roma.
- **Step 4 — Delivery & Launch:** Designer delivers and launches the completed website for Via Roma.
- **Step 5 — Final Payment:** Client submits the remaining 50% (\$500.00 USD) after the website has been delivered and launched.

Estimated Project Duration: Fourteen (14) business days (2 weeks) from the date the signed contract and upfront payment are both received. Delays caused by late feedback or late payments from the Client will extend the timeline accordingly.

3. PAYMENT TERMS

4. CANCELLATION POLICY

Important: If the project is canceled for any reason — by either party — the Client is still financially obligated per the terms below. Signing this contract confirms acceptance of this policy.

- **Cancellation before work begins:** The 50% upfront payment (\$500.00 USD) will be fully refunded to the Client. No additional amount is owed by either party.
- **Cancellation during the build:** The Client owes 75% of the total project fee (\$750.00 USD). The upfront payment of \$500.00 USD will be applied toward this balance, leaving a remaining balance of \$250.00 USD due immediately upon cancellation.
- **Cancellation after delivery:** The full one-time fee of \$1,000.00 USD is owed. Any outstanding balance is due immediately.
- **Cancellation by Designer:** If Creoa cancels the project, all completed work will be delivered to the Client and any payments made beyond the work completed will be refunded.

Cancellation requests must be submitted in writing via email or text message to be considered valid.

5. DOMAIN NAME

The Client (Petur / Via Roma) has two options regarding the domain:

- **Option A — Custom Domain (Recommended):** Client purchases a custom domain (e.g., viaromarestaurant.com). Domain cost is the Client's responsibility and is not included in the project fee. Designer will configure and connect the domain at no additional charge.
- **Option B — Free Netlify Subdomain:** If the Client does not purchase a domain, the website will be hosted on a free Netlify subdomain (e.g., viaroma.netlify.app). This is a functional but less professional option.

Designer is not responsible for domain availability, renewal fees, or any third-party registrar policies.

6. CLIENT RESPONSIBILITIES

To keep the project on schedule, the Client agrees to:

- Provide all necessary content (text, images, menus, logos, brand colors) within 48 hours of request.
- Respond to any build-phase questions within 3 business days.
- Submit the 50% upfront payment (\$500.00 USD) before work begins.
- Purchase a domain name if a custom domain is desired (Option A above).
- Submit the remaining 50% balance (\$500.00 USD) after the website is delivered and launched.

7. REVISIONS & CHANGE REQUESTS

- Unlimited revisions are included at no additional charge. The Client may request changes to the website at any time after launch.
- Revision requests must be submitted in writing via email or text message and will be completed within a reasonable timeframe based on the scope of the request.
- Requests that substantially expand the website (new full pages, booking systems, e-commerce, or major feature additions) go beyond standard revisions and will require a separate written quote.

8. INTELLECTUAL PROPERTY & OWNERSHIP

Upon receipt of the full one-time payment of \$1,000.00 USD, all rights to the final website design and deliverables are transferred to the Client (Petur / Via Roma).

- Prior to full payment, all work remains the property of Creoa / Logan.
- Designer retains the right to display the completed website in a professional portfolio.
- Third-party assets (stock photos, plugins, fonts) remain subject to their respective licenses.

9. LIMITATION OF LIABILITY

Designer's total liability under this agreement shall not exceed the total one-time project fee of \$1,000.00 USD. Designer is not responsible for:

- Loss of revenue or business opportunities arising from project delays.
- Third-party platform outages, hosting provider issues, or domain registrar problems.
- Data loss after website delivery and transfer.
- Security vulnerabilities introduced by third-party plugins or services.

10. ENTIRE AGREEMENT

This agreement constitutes the entire understanding between the parties and supersedes all prior verbal or written communications. Any modifications must be made in writing and signed by both parties.

By signing below, both parties confirm that they have read, understood, and agree to all terms of this Web Design Services Agreement — including the cancellation and payment policies outlined above.
